*providing a safe nurturing environment, helping children and families heal
from trauma and recover from abuse and neglect*

www.SafeHarborSupportCenter.org

About Us...

Since 1997, Safe Harbor Support Center has been serving our local community through providing a safe and nurturing environment to at-risk youth and families.

Originally a crisis nursery, our agency adapted to the needs of our community and changed our focus to trauma intervention and the prevention of child abuse and neglect through strengthening parenting skills and helping families form healthy, supportive connections to ensure their child's needs are met.

As our agency focused on the needs of youth in our community, it became clear that a safe overnight shelter for teens was desperately needed. We founded our flagship program- **My Friends' Place**. This around the clock facility is the only overnight shelter for homeless teens in Southeastern Washington.

As our area's needs have changed, Safe Harbor Support Center continues to adapt and offer wrap-around services to make sure that the basic needs of a child are met, and to ensure that they have every opportunity to grow up in a safe and loving home.

A look into our programs...

Overnight and long-term shelter available to teens ages 13-17 for emergency housing 24/7. Teens are provided with all necessities, food, clothing, school supplies, assistance to get identification if needed, reunification with family if safe and possible, tutoring and homework help. Resume and job search assistance and case management is available for wrap-around care. Drop in laundry, meal and shower services are also offered.

This evidence based program combines our proprietary children's curriculum focused on strengthening social/emotional skills, self-regulation, stress management and mindfulness with the positive parenting techniques of the Incredible Years parenting program. Supportive and trauma-informed instructors work with parents to identify the challenges their children are having at home, daycare or in school and provide coaching to help reduce harmful behaviors and strengthen the parent-child relationship.

Safe Harbor is one of the agencies in Washington State offering this program to help parents whose children have been removed from their care by Child Protective Services (CPS) or whose children are in an in-home dependency. The "Parents for Parents Program" connects "Parent Allies" (parents who have successfully navigated the juvenile dependency system) with parents who are new to the system. Parent Allies provide support and help parents new to the system understand what they must do to successfully reunite with their children.

This program helps families access the necessities of food, diapers, wipes, hygiene items, cleaning supplies, clothing and more to help reduce the burden on families thereby reducing stressors for parents, and the potential life-long impact of poverty on children.

Located at 408 N Fruitland St Kennewick, WA. This 2nd hand store is open to the public to donate to or shop at. The store is run by our incredible volunteers allowing the proceeds of all sales to go towards operating our other programs.

Auction Donation Form

Safe Harbor Support Center's Annual Beggars Banquet - where for over 20 years we have brought the Tri-Cities the best soups our local restaurants have to offer – is back and better than ever! We are thrilled to bring the event back in person, at the Fairgrounds **November 5th, 2022**. Our fun-filled night features Tri-Cities official Best Soup Cook-off, live and silent auctions, and more. But we need your help.

Please consider donating to our auction. Businesses typically donate a gift card, an experience, or a curated gift basket - but let your imagination run wild! Donations are highlighted as “teasers” on our social media and e-mail blasts leading up to the event, so this is also a great way to promote your business and let the community know you support our mission.
