About Us

Since 1997, Safe Harbor Support Center has been serving our local community through providing a safe and nurturing environment to at-risk youth and families.

Originally a crisis nursery, our agency adapted to the needs of our community and changed our focus to trauma intervention, education and the prevention of child abuse and neglect. Through strengthening parenting skills and helping families form healthy, supportive connections, we ensure their child's needs are met.

As our agency focused on the needs of youth in our community, it became clear that a safe overnight shelter for teens was desperately needed. We founded our flagship program – **My Friends' Place**. This around the clock facility is the only overnight shelter for homeless teens in Southeastern Washington.

As our area's needs have changed, Safe Harbor Support Center continues to adapt helping hundreds of families each month, and offering wrap-around services to make sure that the basic needs of a child are met, and to ensure that they have every opportunity to grow up in a safe and loving home.

A look into our programs

At My Friends Place, our dedicated staff works to empower homeless and vulnerable youth aged 13-20. We are committed to offering a welcoming and supportive environment with a bed, meals, clothing, showers, laundry facilities, hygiene products, support services and individualized case management services. We also offer drop-in services to all youth in need in our community.

Overnight and drop-in services available for clients ages 13-20 that meet program requirements.

Safe Harbor C.A.R.E.S. Youth & Family Program supports families with early elementary-aged children facing trauma or behavioral challenges hindering their success at school or home. The evidence-based initiative equips parents with tools to foster positive parenting and engagement in their child's success in school and at home. Meanwhile, the youth component empowers children with essential life skills such as emotional regulation, decision-making, and resilience through practices like yoga, mindfulness, and other evidence-based techniques.

Safe Harbor is one of the first agencies in Washington State offering this program to help parents whose children have been removed from their care by Child Protective Services (CPS) or whose children are in an in-home dependency. We connect "Parent Allies" (parents who have successfully navigated the juvenile dependency system) with parents who are new to the system. Parent Allies provide support and help parents new to the system understand what they must do to successfully reunite with their children.

In addition to our programs, we offer family assistance to help any family in need access the necessities of food, diapers, wipes, hygiene items, cleaning supplies, clothing holiday assistance for over 400 children annually, and more to help reduce the burden on families thereby reducing stressors for parents, and the potential life-long impact of poverty on children.

Located at 408 N Fruitland St Kennewick, WA. Our upscale thrift store is open to the public to donate to or shop at. The store is run by our incredible volunteers allowing the proceeds of all sales to go towards operating our other programs.

Event Sponsorship

Safe Harbor Support Center's Annual Beggars Banquet – where for 24 years, we have brought the Tri-Cities the best soups our local restaurants have to offer – is back and better than ever! We are thrilled to bring the event back, at the Fairgrounds November 7th 2026. Our fun-filled night features our famous soup sampling with local restaurants (attendees get to vote for the winner!), live and silent auctions, and more. But we need your help. Raise the Paddle Sponsor

Are you looking for a fun and unique way to get your business noticed? In addition to all the great activities we have at Beggars Banquet, one of our most important segments is our **Raise the Paddle call** – where our attendees have the last chance to contribute directly to our cause.

We are looking for a company to **pledge to match the first \$7,500** raised during this portion of the night. Your generous support will not only inspire our attendees to contribute enthusiastically but also demonstrate your commitment to making a meaningful difference in our community.

As our official Raise the Paddle Sponsor, a representative from your company will get a chance to present a check to our Executive Director in front of everyone, guaranteeing significant exposure among our attendees. A photo of the check presentation will also be included on our website and social media outlets for the duration of the year, ensuring your commitment to our mission gets the recognition it deserves.

Sponsorship also includes a Standard Table (8 Beggars Banquet event tickets)

Ready to make the pledge? Fill out the form below and return it as soon as possible to:
