We're thrilled to announce **The Safe Harbor Slam - Safe Harbor's first annual Pickleball Benefit Tournament**. It promises to be a weekend of fun, competition, and community, all to benefit the life-changing work happening right here at Safe Harbor Support Center.

At the heart of our mission is **My Friend's Place**, our flagship program, where we provide safety, stability, and hope for **homeless and vulnerable youth ages 13-20**. Every day, young people walk through our doors seeking a warm meal, a safe bed, clean clothes, showers, and someone who believes in them.

Beyond meeting basic needs, we offer case management and guidance to help these youth find stability and build brighter futures. In addition, Safe Harbor serves families and children throughout our community through programs that support parents facing crises, teach children critical life skills, and provide basic necessities like food, diapers, clothing, and hygiene items. From family reunification support to holiday gifts for over 400 children each year, **your sponsorship helps us reach hundreds of lives when they need it most - right here in our local community**.

By partnering with us for The Safe Harbor Slam, your business will not only gain visibility and recognition, but you'll also make a direct impact on youth and families in crisis. Together, we can create a stronger, safer, and more compassionate community.

Thank you for considering this opportunity. We've included sponsorship details and would love to partner with you to make this inaugural event a success.

With gratitude,

The team at Safe Harbor & My Friends Place

A look into our programs

At My Friends Place, our dedicated staff works to empower homeless and vulnerable youth aged 13-20. We are committed to offering a welcoming and supportive environment with a bed, meals, clothing, showers, laundry facilities, hygiene products, support services and individualized case management services. We also offer drop-in services to all youth in need in our community. Drop-in services available for clients ages 13-20. Overnight shelter available for clients ages 16-20 that meet program requirements.

Safe Harbor C.A.R.E.S. Youth & Family Program supports families with early elementary-aged children facing trauma or behavioral challenges hindering their success at school or home. The evidence-based initiative equips parents with tools to foster positive parenting and engagement in their child's success in school and at home. Meanwhile, the youth component empowers children with essential life skills such as emotional regulation, decision-making, and resilience through practices like yoga, mindfulness, and other evidence-based techniques.

Safe Harbor is one of the first agencies in Washington State offering this program to help parents whose children have been removed from their care by Child Protective Services (CPS) or whose children are in an in-home dependency. We connect "Parent Allies" (parents who have successfully navigated the juvenile dependency system) with parents who are new to the system. Parent Allies provide support and help parents new to the system understand what they must do to successfully reunite with their children.

In addition to our programs, we offer family assistance to help any family in need access the necessities of food, diapers, wipes, hygiene items, cleaning supplies, clothing holiday assistance for over 400 children annually, and more to help reduce the burden on families thereby reducing stressors for parents, and the potential life-long impact of poverty on children.

Located at 408 N Fruitland St Kennewick, WA. Our upscale thrift store is open to the public to donate to or shop at. The store is run by our incredible volunteers allowing the proceeds of all sales to go towards operating our other programs.
